

Trade School Scholarships *available!!*

The Florida Asphalt Scholarship Program (FASP) offers \$2500 scholarships for ACAF members' employees' sons and daughters under 25 years old. They must be graduating high school seniors, have already graduated, or have a GED. These scholarships are for students seeking continued education in an accredited trade or vocational technical school in mechanical, electrical, welding programs and other trades that are needed in the asphalt industry and other construction related industries. Applications are accepted and reviewed on an ongoing basis for 2018-2019. First deadline is March 1, 2019.

Applications can be found at www.FloridaRidesOnUs.org or from your HR Director.
