WAYNE EVANS ASPHALT INDUSTRY ANNUAL SCHOLARSHIP

APPLICATION INSTRUCTIONS – 2019-2020

We welcome your interest in the Wayne Evans Asphalt Industry Scholarship Award and request that you review the qualifications set forth below.

Establishment of Scholarship: The Wayne Evans Asphalt Industry Scholarship was established in 2011 in memory of Wayne Evans to honor his many accomplishments in the asphalt industry. The attached sheet outlines Wayne’s many contributions to the asphalt industry.

Definition: An annual scholarship award or awards will be made by the Wayne Evans Asphalt Industry Scholarship Committee and under the auspices of the NAPA Research and Education Foundation, Inc. The selection of the recipient is not limited to first year applications, and we encourage successful applicants to apply for succeeding year awards, if they still meet the stated qualifications.

Scholarship Award: The scholarship award monies will be sent to the institution for credit toward tuition, supplies, books, institution fee and for dormitory charges on campus. No monies will be given to the individual. The Scholarship will be awarded to a qualified student attending either the University of Florida or Tennessee Tech University.

SCHOLARSHIP RECIPIENT QUALIFICATIONS FOR YEAR 2019-2020

- Must be a U.S. Citizen.
- Must have graduated from high school or satisfactorily completed the requirements for a GED high school equivalency.
- Must show that they have applied and been accepted (and enrolled by the fall term) at Tennessee Technological University or University of Florida.
- Must show scholastic aptitude as demonstrated by an attached school transcript.
- Full-time undergraduate or graduate student.
- University of Florida and resident of Florida or Tennessee Tech and resident of Tennessee.
- Age will not be part of the criteria.
- Recipient will be allowed to receive additional scholarships.
- Must be willing to be interviewed by the Selection Committee.
- All should apply. Preference will be given to Civil Engineering, Construction Management, or Construction Engineering students and to family members of asphalt company employees.
