

ACAF Lifetime Achievement Award

ACAF has developed an award to formally recognize those who have made significant contributions to the asphalt industry in the State of Florida. Over the years, the ACAF board has recognized select individuals in various ways, but there is a desire to have an annual award of merit for perpetuity to maintain the history of asphalt in Florida. Therefore, ACAF has established the "ACAF Lifetime Achievement Award." We have created a process to nominate persons deemed worthy. The person submitting the nomination is responsible for completing the application. These nominations will be reviewed and voted on by the ACAF Board of Directors. At least one recipient per year may be recognized at our Annual ACAF Convention. If a nominee is not chosen in the given year, that nomination may be re-submitted the following year. Submitter is responsible to completing the nomination form.

Requirements: The individual must have a minimum of 25 years in the Asphalt industry and a minimum of 10 years involvement with ACAF. They must have worked for an ACAF member company. Service on ACAF Board of Directors and industry committees is desirable, but the significance of their contribution to the asphalt industry is a key factor.

Deadline for Submission is March 20, 2020.
